

# TEDMEDLive2016

## Liverpool Medical School

3rd December 2016

Liverpool School of Tropical Medicine (LSTM)

9:00-9:30 - Registration and welcome

9:30-11:00 - Social and Science

*What if we could create a stronger culture of health by addressing its social and environmental factors? Speakers in this session will explore different influences on our health including poverty, race, environment and music.*

11:00-11:30 - Refreshment and charity bake sale.

11:30-13:00 - New Models

*What if we re-examine the way we frame health challenges? Topics considered for this session include the treatment of rare conditions, homelessness, robotic vision and mental illness.*

13:00-14:00 - Lunch break (not provided)

14:00-15:30 - Endgame

*What if we possess the knowledge to be architects of our ageing and (eventual) deaths? Topics considered in this session are caregiver crisis, dementia, the neuroarchitecture of memory and science of ageing.*

15:30-16:30 - Networking with refreshments sponsored by Dominoes

Join us as we explore provocative and inspiring questions and dicussions that drive us toward a healthier world.
