

KNOWLEDGE MANAGEMENT & LEARNING EVENT

Aim of the 2022 KML event for the Quality Improvement of Integrated HIV, TB and Malaria Services in Antenatal Care (ANC) and Postnatal Care (PNC) Programme is to share research results and facilitate cross learning across the research teams and implementing countries. We will also increase awareness of Global Fund funding opportunities for LSTM and Research Partners and enable collaborative programme planning for 2023 and beyond.

12TH - 14TH
SEPTEMBER 2022
